

Internet Safety Family Contract

I pledge that ...

I will always ask for my parents' permission before giving out my personal information.

I will always obtain my parents' permission before sending out my photo.

I will always discuss with my parents before arranging a face-to-face meeting with someone that I have met through the Internet.

I will always choose a username, screen name or e-mail address that doesn't reveal my true identity.

I will speak to a trustworthy adult whenever I come across information that makes me feel uncomfortable.

I will not reply if I receive disturbing pictures or messages.

I will reveal my Internet passwords only to my parents.

I will _____

I will _____

I will _____

I hereby agree to follow these safety rules while using the Internet.

Child signs here

I hereby agree to help my child follow this agreement. I will be involved in my child's online activities, and make myself available to openly discuss any issues of importance to my child.
